Background and Founding

The first Saudi arbitration clause

In 1923, Saudi Arabia's founder, King Abdulaziz signed a concession agreement with Maj. Frank Holmes, an agent of Eastern and General Syndicate Ltd., to drill for oil in Al-Ahsa. Paragraph 23 of the agreement provided for disputes to be referred

to arbitration in the event of a dispute. It also defined the scope and procedures for the arbitration and the finality of any arbitration awards rendered.

A dispute resolution clause in your contracts is comprehensive insurance for your business

“Any dispute, controversy, or claim arising out of or relating to this contract, or the breach, termination, or invalidity thereof, shall be settled by arbitration administered by the Saudi Center for Commercial Arbitration (the “SCCA”) in accordance with the SCCA Arbitration Rules.”

The above is a model clause that can be used to draft an optimal dispute resolution clause for a commercial contract. SCCA recommends consulting a legal advisor before incorporating it into a contract.
